# **We Can Do Better**

***"It is not the critic who counts... The credit belongs to the man who is actually in the arena, who spends himself for a worthy cause; who, at the best, knows, in the end, the triumph of high achievement, and who, at the worst, if he fails, at least he fails while daring greatly, so that his place shall never be with those cold and timid souls who knew neither victory nor defeat."***

As you can see by this e-mail and the fancy font I have decided to enter politics. Before you send a reply asking me if I have lost my mind let me assure you that I am not only sane, but very serious about this effort. As I have become involved in Pennsylvania politics over the past few years I have seen a government of small ideas and leaders more interested in their own sense of entitlement than the best interest of the citizens they represent.

I am sending out this e-mail to let you know of my intentions. I am attaching a link to a web-site I have set up and plan on contacting you in the months ahead to ask for your help. This is not an easy task, but I look forward to the challenge. I think there is a great deal that government can do and I hope to get the chance to be able to shape policy in the future.

Sincerely,

Tom Quinn  
Candidate for the General Assembly  
PA- 165th District
