

**Tom Quinn for State Rep  
165th District of Pennsylvania**  
*We Will Do Better*

*"The future does not belong to those who are content with today, apathetic toward common problems and their fellow man alike, timid and fearful in the face of bold projects and new ideas. Rather, it will belong to those who can blend passion, reason and courage in a personal commitment to the great enterprises and ideals of American society."*

*- Robert F. Kennedy*

**July 1, 2007**

I have continued to talk to people about the effort we are making towards '08 and the race in the 165th. As our state legislators work out the details of the budget I am meeting more people and learning more and more people want someone who will work to make our schools better, healthcare more accessible, and not be afraid to take on real challenges that come before government. I think government can do good things and we should not be afraid to ask our public servants to make difficult decisions.

**Support My Campaign**

The largest challenge facing any campaign is fundraising. Please contribute any thing you can at

<http://www.actblue.com/page/quinn165>

Any amount is a huge help. It is a lot to ask and I am grateful to all of you who have contributed. We can and will win with your help. *There are 86 people who have contributed so far. Help me reach my goal of hitting 100 contributors as result of this e-mail!*

**Enjoy the 4th of July**

Enjoy the 4th. Whether it is at the Springfield or Morton or Marple parade or a backyard barbecue, enjoy the holiday and the needed time off.

**Meeting with Greg Vitali**

On June 1st I had the chance to sit down with Greg Vitali as he held a meeting to discuss healthcare. Greg's success in his district is a model for the 165th. We discussed the need to let people know there are choices and the best ways to contact people and the hard work needed for success.

**First Meeting of Tom Quinn for State Rep Committee**

We held our first Tom Quinn for State Rep Committee meeting on July 1st. The meeting produced a lot of good ideas on how to best run this campaign.

And now I would like to ask for *your* input. What do you think are the issues that we should address in this campaign? Please e-mail me your thoughts as to be a successful

campaign this needs to be an interactive campaign and your input would be enormously helpful.

### **Save the Date!**

Sunday August 26<sup>th</sup>: We will hold a meet and greet for local candidates in Springfield. Time and location to be determined. I am determined to do all I can to help Democrats win all across the county in November. Join us on the 26th to meet the candidates and find out what you can do to help them win this year.

### **Coming in July**

This month I will be meeting with Progressive Majority PA as well as attending Congressman Sestak's forum on Women in the workplace.

The more people I speak to the more I understand the potential of this race and this district. This is a wonderful place to live, but we can be more than we are. We can take on difficult challenges and find answers if we commit to putting the interests of the voters and citizens above politics. That is what this race is about: the commitment to find solutions to the issues we care about. With your help I can work to find those solutions.

Sincerely,  
Tom Quinn  
Democrat for the 165th
