We Can Do Better

Thank you to everyone who has contributed so far for allowing us to raise over \$2500 in our first month of the campaign. If you have not had the chance to contribute yet you can do so at <https://secure.actblue.com/contribute/page/quinn165>.

Included on this web page is the option to contribute each month. We are 20 months away from the election and with just a \$5 contribution per month you can make an enormous difference. The only way we can take back the 165th is to get our message out and I need your help to mount and run a campaign so we can make our voices heard in Harrisburg.

Over the past month I have had the chance to speak with State Representatives Bryan Lentz, Mike Gerber and James Roebuck in seeking their guidance and support. The 165th can be won, but only with your help. Please consider contributing, hosting a fund raising event or volunteering. Only a true grass roots effort will allow us to be successful in the fall of '08.

We can make a difference in education by ensuring that all of Pennsylvania's kids have access to pre-school and, in what is a real issue for Delaware County, full day kindergarten. All Pennsylvanians need access to affordable health care and the State Legislature must be more accountable to the people who send them there. See my letter which appeared in the Delaware County times and the local Press Newspapers.

We can win the 165th and a new perspective and voice can go to Harrisburg. I ask for your support and your ideas as we fight for real change in Delaware County.

Sincerely,

Tom Quinn
