

**Tom Quinn for State Rep
165th District of Pennsylvania**

We Will Do Better

“My dream is of a place and a time where American will once again be seen as the last best hope of earth.”

- Abraham Lincoln

September 2, 2007

I hope you are enjoying Labor Day weekend. The 2007 campaign will be in full swing and I hope you had the chance to enjoy the time with your family.

Support Us as *We Walk Now for Autism*

On Saturday September 15th we will be taking part in the annual “Walk Now for Autism” at Citizen's Bank Park. So far we have raised over \$1200 and are looking for more people who can donate and also who can join us to walk. To donate or find out more please go to <https://www.kintera.org/faf/donorReg/donorPledge.asp?ievent=214827&supId=185050139>. Help us fight this disease that effects so many children and effects families all over our area, our state and the country. We are doing something about this and we can use your help.

Springfield August Event

On Sunday August 26th, Lynne Clark was kind enough to open her home to an event for Springfield and County Council Candidates organized and sponsored by my campaign. Over 2 dozen people came to hear County Council Candidates David Landau, John Innelli and Anne O'Keefe detail their plans to win in the fall. Judicial candidate Mike Farrell and Springfield Commissioner candidate Ed Kelly also had a chance to speak. More importantly members of the Springfield community came together to engage in this year's election where we plan to build on the victories of '06. Thank you to everyone who attended.

2007 Elections

The 2007 elections are 60 days a way and I would like to urge you to support our local and county council candidates. Delaware County has a tremendous opportunity to elect outstanding Democrats to the Council for the first time in a generation. You can learn more about David Landau by visiting his web site at <http://www.davidlandau.net/>. John Innelli and Ann O'Keefe, you can learn more about Ann by visiting her web site at <http://www.annokeefe.com/>, are two excellent choices and the three make for our strongest ticket and best opportunity in a long time. I urge you to support our ticket.

Frank Daly- <http://www.frankdalyforjudge.com/> and Mike Farrell give us two excellent choices for judge as well. Locally here in Springfield Ed Kelly is making a serious challenge for Commissioner in the the 1st Ward. To support Ed please contact his campaign at edkelly2007@gmail.com.

Support My Campaign

As I have been doing for the past few months I am still working to raise money now for my own run in '08. I urge you to focus on the races this year, but if you can make a donation now at

<http://www.actblue.com/page/quinn165>

That would be a huge help. If you are unable to contribute now I would appreciate you keeping my campaign in mind for a donation before the end of the year as this will go a long way towards laying the groundwork for '08.

Coming in September

Keep an eye out for a letter to the editor written by me and dealing with the ongoing revelations concerning the Pennsylvania Higher Education Assistance Agency, or PHEAA, which has as its chairman the current Representative from the 165th District Bill Adolph. I will also keep you up to date on our walk to help cure autism and I will be continuing to assist candidates as we knock on doors and let voters know just how vital 2007 will be for our local governments and school boards.

So Far So Good

I cannot thank you enough for your support as we organize for next year. Please check out the web site at www.tomquinnforstaterep.com. Your advice, encouragement, contributions and energy have been an enormous help as I lay the foundation of what I believe will be a successful effort in this district. I have always believed that anything is possible and the more people I meet and the more I learn the more I believe. I thank you for and need your help to be an advocate for the health of our kids, the quality of our schools and the fact that we can in fact be and remain as Lincoln put it "the last best hope of earth."

Enjoy the final days of summer.

Sincerely,

Tom Quinn
Democrat for the 165th
